

COMPANY BACKGROUND

Morgårdshammar AB is a registered company since 1856. The company produces complete plants and equipment for the rolling of long steel products.

Morgårdshammar is a worldwide renowned company located in Smedjebacken in Sweden and since 1987 part of the Danieli Group. Danieli is one of the three largest suppliers of equipment and complete plants to the metal industry worldwide. Danieli is leader in long product rolling mills for commercial and specialty steel and among the front runners in the flat products sector.

Morgårdshammar is Danieli's long product rolling mills division, with particular emphasis on equipment for alloy steel products. Another product line includes the design and supply of roller guides for high-speed mills.
